2 DAYS

8 LECTURERS

4 CONTINENTS

COVID-19 has changed the events landscape. Virtual events have stepped into the limelight, and they're changing the game.

It's evident that the coronavirus pandemic has changed what normal looks like for us all, and the events industry is no different.

That's why we decided to go "virtual"

We present you one of the most anticipated events with some of the internationally renowned in the world of modern Endodontics!

The Endodontic Summit 2021 **LONDON EDITION**
